IMPERIAL PROBE DROID™

STAR WARS™

A tribute to our favorite Star Wars™ droids

Droids are integral to the *Star Wars™* universe – to Rebels, Imperials, farmers, merchants, scoundrels, and smugglers alike – and they are often iconic characters in their own right. This set lets you build a collectible display version of an Imperial probe droid for your home or office. With authentic details, a built-in stand and information plaque, you can create your own little corner of the sixth planet in the Hoth system.

"We have thousands of probe droids searching the galaxy. I want proof, not leads!" – Admiral Kendal Ozzel

75306 Imperial Probe Droid™

Imperial probe droids are vital multi-purpose tools with sensors, blasters, shields, or even self-destruct mechanisms, for exploration, science, or military missions. In *Star Wars: The Empire Strikes Back*, they are, of course, part of the Empire's mission to seek out the location of the Rebels. The ominous-looking, multi-armed droids soon expose our heroes and alert Darth Vader. Let the Battle of Hoth begin...

Enjoy building!

Jens Kronvold Frederiksen
Creative Director, LEGO® Star Wars™

DROÏDE SONDE IMPÉRIAL™

STAR WARS

Un hommage à nos droïdes Star Wars™ favoris

Les droïdes font partie intégrante de l'univers de *Star Wars*™.

Jouant un rôle essentiel à la fois auprès des Rebelles, de l'Empire, des fermiers, des marchands, des scélérats et des contrebandiers, ils représentent souvent des personnages à part entière et des figures emblématiques. Cet ensemble est pour vous l'occasion de réaliser une version de collection d'un droïde sonde impérial à exposer chez vous ou dans votre bureau. Avec ses détails authentiques, son socle intégré et sa plaque d'informations, il vous permet de créer votre petit coin à vous de la sixième planète du système Hoth.

« Nous avons des milliers de droïdes sondes qui sillonnent la galaxie. Je veux des preuves, pas des pistes ! » – Amiral Kendal Ozzel

75306 Le droïde sonde impérial

Les droïdes sondes impériaux sont des outils indispensables et polyvalents munis de capteurs, de blasters, de boucliers ou même de mécanismes d'autodestruction pour effectuer des missions d'exploration, scientifiques ou militaires. Dans *Star Wars : L'Empire contre-attaque*, ils font bien entendu partie de la mission de l'Empire visant à rechercher l'emplacement des Rebelles. Des droïdes à l'aspect menaçant et lourdement armés découvrent rapidement nos héros et alertent Darth Vader. Que la bataille de Hoth commence...

Bonne construction !

Jens Kronvold Frederiksen

Directeur de la création pour LEGO® Star Wars™

DROÏDE SONDA IMPERIAL

STAR WARS

Un homenaje a nuestros droides favoritos de *Star Wars*™

Los droides son parte inseparable del universo *Star Wars*™ (junto con los rebeldes, simpatizantes del Imperio, granjeros, mercaderes, rufianes y contrabandistas que habitan en él), adquiriendo con frecuencia una carismática importancia por derecho propio. Este set te permite construir una versión coleccionalable del droide sonda imperial para exponer en casa o en la oficina. Sus detalles de gran realismo, su soporte incorporado y la placa de información que incluye te permitirán crear tu propio rincón dedicado al sexto planeta del sistema Hoth.

**“Tenemos miles de droides sonda buscando en la galaxia. ¡Quiero pruebas, no pistas!”.
– Almirante Kendal Ozzel**

Droide Sonda Imperial (75306)

Los droides sonda imperiales son herramientas multiusos de enorme importancia, equipadas con sensores, blásteres, escudos e incluso mecanismos de autodestrucción, diseñadas para cumplir misiones de exploración, científicas y militares. En *Star Wars: El Imperio Contraataca*, forman, por supuesto, parte de la misión del Imperio que busca la ubicación de los rebeldes. Con sus numerosos brazos, los inquietantes droides pronto descubren a nuestros héroes y avisan a Darth Vader. Comienza entonces la batalla de Hoth...

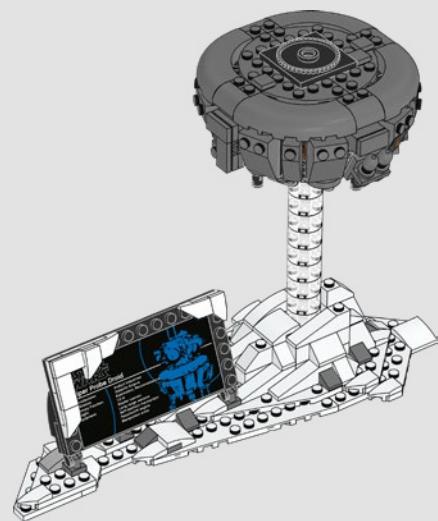

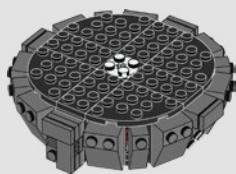

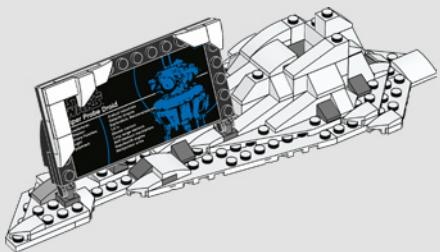

¡Disfruta de la construcción!

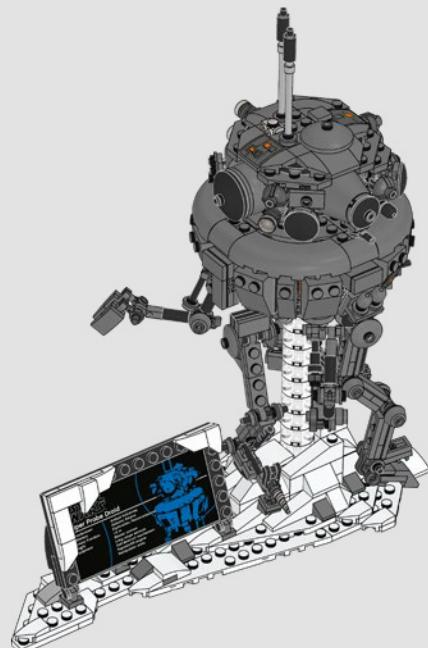

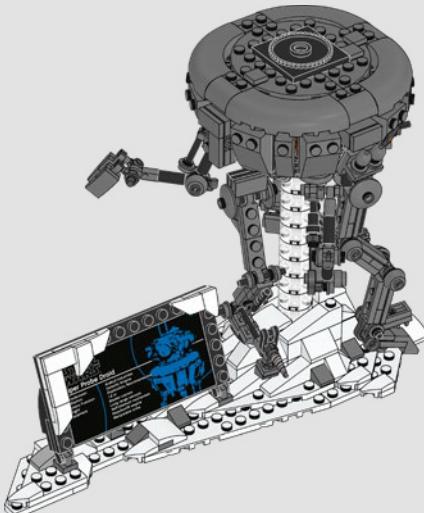

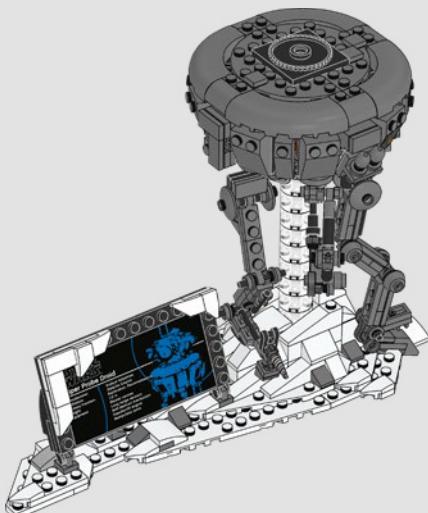

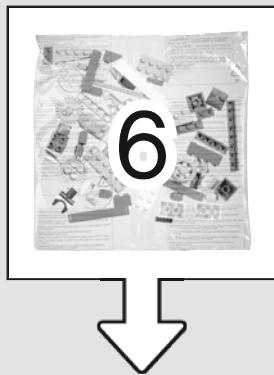

Jens Kronvold Frederiksen
